# Simplified PowerPoint Story

- ✓ Specially adapted for ESL/EFL learners
- ✓ Tell the story in a dynamic way
- ✓ Use in games, sequencing and storytelling.

# The Very Hungry Caterpillar

In the light of the moon, a little egg lays on a leaf.

One Sunday, the sun comes up and out pops a very small caterpillar!

It is very hungry. The caterpillar starts to look for some food.

I'm hungry!

On Monday it eats through one apple. But it is still hungry.

I'm hungry!

On Tuesday it eats through two pears. But it is still hungry.

I'm hungry!

On Wednesday it eats through three plums. But it is still hungry.

I'm hungry!

On Thursday it eats through four strawberries. But it is still hungry.

I'm hungry!

On Friday it eats through five oranges. But it is still hungry.

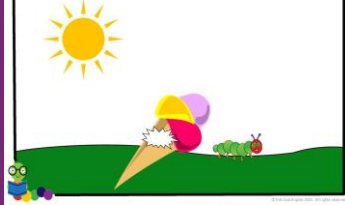

I'm hungry!

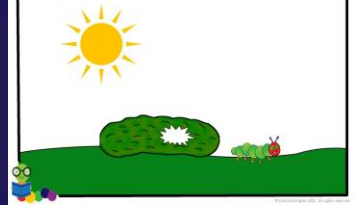

On Saturday it eats one piece of chocolate cake...

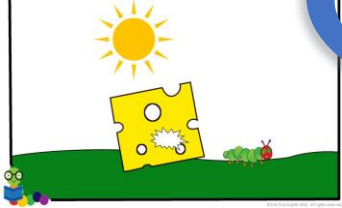

...one icecream...

...one pickle...

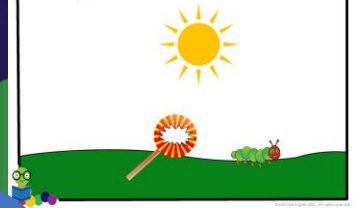

...one slice of cheese...

...one slice of salami...

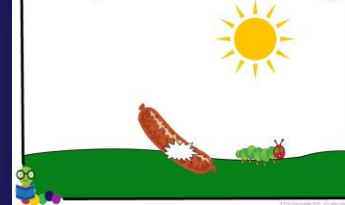

...one lollipop...

...one piece of cherry pie...

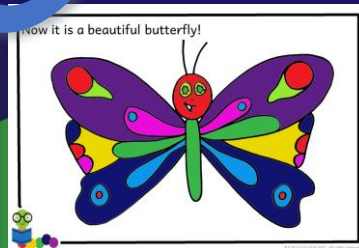

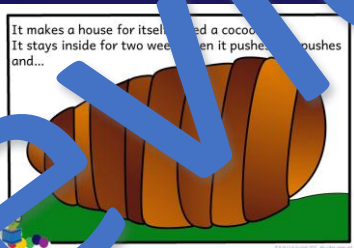

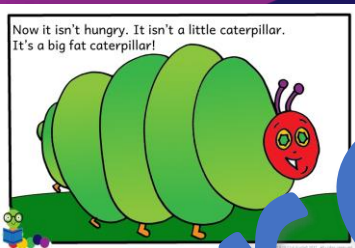

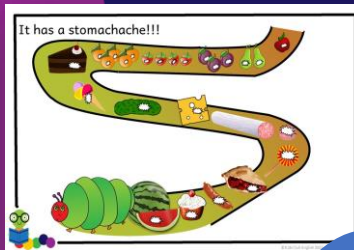

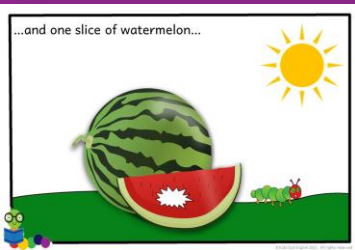

...one sausage...

...one cake...

Review

A great way to engage ESL kids  
in the story.

Adjust printer settings and  
print into small card sets for  
games too!
