Card backs

Lang Hobbies vocabulary • playing • drawing • reading • singing • dancing • sports • acting Preparation before session: • Print a copy of the language game	Hobbies This game is for children to play in pairs or groups. Each child has a turn to draw a card from the bag and to describe the hobby. If you want to include a competitive element, the children could write their names on a piece of paper and use points. They can get points for completing the challenge correctly, and for the other children who can't do it. The child who has the most points at the end of the game wins. How to play The children play in pairs or groups. Each child has a turn to draw a card from the bag and to describe the hobby.
